The source from which the information originated:

The personal data obtained, the company ZPS-TRANSPORT, a.s. from business partners or from applicants for employment.

On the basis of own activities of the company ZPS-TRANSPORT, a.s. personal data may come from publicly available sources (e.g. from the website of the business partner, advertising, etc.).

The recipients or categories of recipients of the personal data:

The company ZPS-TRANSPORT, a.s. processes personal data of data subjects as the controller of the personal data. The personal data are not passed on to third parties except when required to do so by law (state or state-designated entities, authorities active in criminal proceedings, misdemeanour and administrative proceedings, audit firm) or on the basis of the concluded contract on the protection of personal data (the service of external processors). In the case that personal data are sent to the other entities referred to in the preceding sentence, the company ZPS-TRANSPORT, a.s. makes available personal data only to the extent necessary to achieve the specified purpose.

Personal data are not passed on to a third country or an international organisation.

The length of time that personal data will be stored with the administrator:

The personal data of current and potential business partners obtained not on the basis of the consent – pers. data are kept for the duration of the contractual relationship/business cooperation and after its termination, for the period strictly necessary for the case of further cooperation.

The personal data of job applicants – the pers. data are kept for the ongoing selection procedure and 1 year after the end of the selection procedure.

Data subject's rights in terms of protection of personal data:

The company ZPS-TRANSPORT, a.s. in the processing of all personal data of the data subject, fully respects the data subjects respects laid down in Chapter III of the GDPR, which are the following:

- 1) Right of access by the data subject - the data subject has the right to obtain from the controller confirmation as to whether or not personal data concerning him or her are being processed not processed, and where that is the case, access to the personal data and the following information: the purposes of the processing; the categories of personal data concerned; the recipients or categories of recipient to whom the personal data have been or will be disclosed, in particular recipients in third countries or international organisations; where possible, the envisaged period for which the personal data will be stored, or, if not possible, the criteria used to determine that period; the existence of the right to request from the controller rectification or erasure of personal data or restriction of processing of personal data concerning the data subject or to object to such processing; the right to lodge a complaint with a supervisory authority; where the personal data are not collected from the data subject, any available information as to their source; the existence of automated decision-making, including profiling.
- 2) Right to rectification – The data subject shall have the right to obtain from the controller without undue delay the rectification of inaccurate personal data concerning him or her.

- 3) Right to erasure ("right to be forgotten") - The data subject shall have the right to obtain from the controller the erasure of personal data concerning him or her without undue delay and the controller shall have the obligation to erase personal data without undue delay where one of the following grounds applies: the personal data are no longer necessary in relation to the purposes for which they were collected or otherwise processed; the data subject withdraws consent on which the processing is based according to point (a) of Article 6(1) GDPR , or point (a) of Article 9(2) GDPR, and where there is no other legal ground for the processing; the data subject objects to the processing pursuant to Article 21(1) GDPR and there are no overriding legitimate grounds for the processing, or the data subject objects to the processing pursuant to Article 21(2) GDPR; the personal data have been unlawfully processed; the personal data have to be erased for compliance with a legal obligation in Union or Member State law to which the controller is subject; the personal data have been collected in relation to the offer of information society services referred to in Article 8(1) GDPR

Personal data cannot be deleted, if it has been collected for the purpose of performance of the contract (according to the article. 6 para. 1. b) GDPR) or processing is necessary for compliance with a legal obligation (according to the article. 6 para. 1. c) GDPR).

- 4) Right to restriction of processing - the data subject shall have the right to obtain from the controller restriction of processing where one of the following objections:
- (i) denial of the accuracy of the data,
 - (ii) the processing is unlawful and the data subject opposes the erasure of personal data, and asks instead about the restrictions on their use,
 - (iii) the controller no longer personal data needs, but the data subject is required for the identification, performance or defence of legal claims,
 - (iv) the entity has raised an objection against the processing

Right to restriction of processing cannot be required if the personal data were collected for the purpose of performance of a contract or processing is necessary for compliance with a legal obligation, and with regard to the nature of the performance.

- 5) Right to data portability to other controller - the data subject shall have right to obtain personal data relating to him or her, which he or she has provided to the controller, without hindrance from the controller to which the personal data have been provided, in case that:
- (i) data provided by the data subject,
 - (ii) the processing is based on contract or consent,
 - (iii) the data are provided in a structured and commonly used electronic format, if it is available for the subject,
 - (iv) the processing is carried out by automated means.

- 6) Right to object - the data subject shall have the right to object at any time to the processing of personal data relating to him, if the processing is necessary for the performance of a task carried out in the public interest or in the exercise of public authority or if the processing is necessary for the purposes of the legitimate interests of the controller. The controller does not process personal data unless he demonstrates serious legitimate reasons for further processing, which outweigh the interests or rights

and freedoms of the data subject. The same applies when the processing for direct marketing purposes.

- 7) Right not to be subject to an automated individual decision-making, including profiling - this right cannot be used, if decisions is necessary for the conclusion or performance of a contract, or decision is authorised by Union law or Member state, or a decision is based on explicit consent of the data subject.

If any of the above rights is exercised, the applicant will be informed in writing of the manner in which the application is processed without undue delay (within statutory time limits).

The data subject has the right to withdraw consent to the processing of personal data, which has granted the controller (when are personal data processed on the basis of the consent) at any time. The withdrawal of consent, however, shall not affect the lawfulness of processing based on consent granted before its withdrawal.

The data subject has the right to lodge a complaint with the Office for personal data protection (address: Pplk. Sochora, 27, 170 00 Praha 7, tel.: +420 234 665 111) if it considers that there has been a breach of the obligations laid down by the legislation.

The fact, whether the provision of personal data is a legal or contractual requirement, and whether the data subject has the obligation to provide personal data is designed according to the character/nature of the relationship between the controller and the data subject (see above, Purposes of the processing of personal data and legal basis of the processing operation).

In the processing of personal data by the company ZPS-TRANSPORT, a.s. as a controller, there is no automated decision making including profiling.
